Cambridge A Level

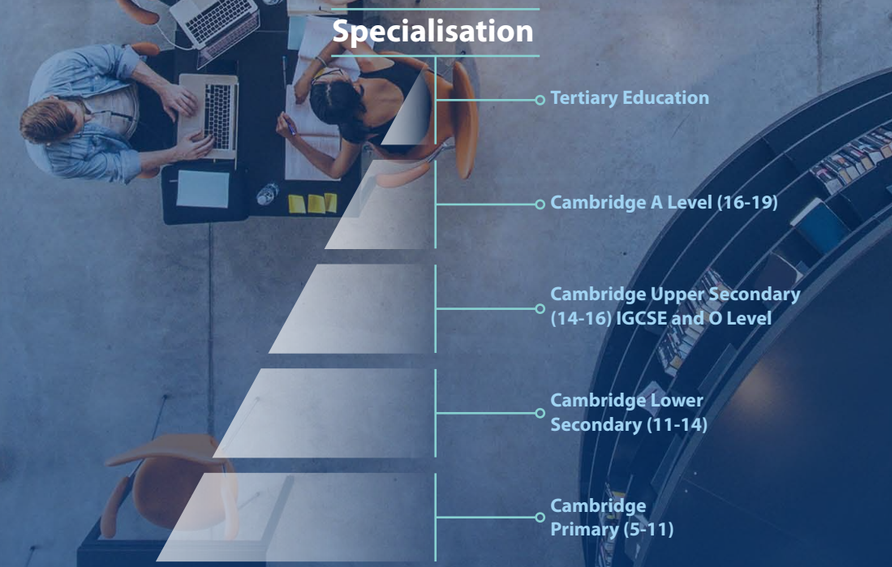

Cambridge A Level

Flexible Subject Choice with Global Recognition

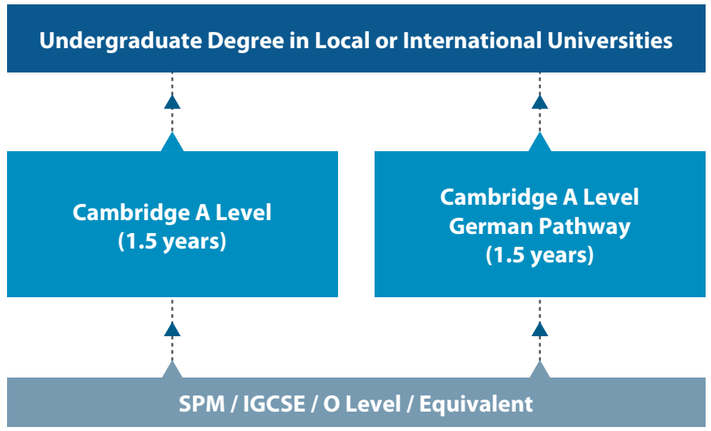

Cambridge International A Level typically takes less than two years to complete and offers a flexible course of study. With over 50 subjects to choose from, schools can offer almost any combination from the wide range of subjects available, giving students the power to choose and motivate themselves throughout their studies. Cambridge qualifications are accepted by universities all around the world. Examples of some of the most popular destination countries for Cambridge students are United Kingdom, Denmark, Germany, United States, Canada, Singapore, Australia, New Zealand, India, UAE and locally here in Malaysia.

Who Takes Cambridge International A Level?

Aimed at 16-19-year-old students before university study, Cambridge A Level is taken by over 175,000 students in more than 125 countries every year. In the U.K., the programme is taken in year 12 and 13 of the secondary school curriculum.

Cambridge A Level

KPT/JPS(R2/010/3/0098)(A9208)07/23

The Cambridge Assessment International Education A Level is MCKL's most prominent pre-university programme. This serves as an entry qualification to a wide range of degree programmes in universities locally and internationally.

A Cambridge education prepares students for life, helping them develop an informed curiosity and a lasting passion for learning. Students will be exposed to syllabi that develop a deep understanding of subjects and independent thinking skills.

MCKL's curriculum sets a global standard for education, with programmes that stretch, challenge and inspire our students. They will be equipped with knowledge and key competencies and skills, ready to embark on their university journey.

Recognised Cambridge A Level Provider
One of the earliest tertiary institutions in Malaysia to offer the A Level programme as an education pathway for school leavers to further their studies globally. MCKL's A Level programme is one of the most affordable and internationally recognised in Malaysia.

Cambridge IPQ Certification
The pioneer institution to offer Cambridge IPQ. It is a project-based qualification designed to develop skills, such as critical thinking, problem solving, independent research, innovation, creative thinking, reflection and communication for students' success by carrying out research into a topic of their choice.

Dedicated & Experienced Lecturers
Learn from a combination of both experienced and enthusiastic lecturers who are qualified in their fields.

Experienced University Placement Team
Experienced lecturers and university placement staff have successfully placed students in top universities of their choice.

Personalised Community
Concentrated class sizes that allow lecturers and students to build trust, along with our administrative and support staff to help students along the way.

Excellent Track Record
A strong track record as CAL students have been awarded Top in the World, Top in Malaysia and High Achievements for various subjects, granting students entry to top universities.

TESTIMONIALS

Lee Ming Cheng
Cambridge A Level
(German Pathway), MCKL
B. Sc. Computer Science,
RWTH Aachen, Germany

I must admit, sometimes it can be very overwhelming and challenging. Nevertheless, this one whole year of learning German, meeting new people from all around the world and now studying in one of the most prestigious universities in Germany, have been nothing short of life-changing and eye-opening.

Eng Wai Lam Simpson
Cambridge A Level, MCKL
Minerva Schools at KGI, USA

I chose MCKL as it has a great reputation for the Cambridge A Level programme, affordable fees and generous scholarships. I was very happy to have lecturers and friends who were always willing to assist me whenever I needed help. Volunteering as a facilitator in the orientation camp was my most memorable experience and I advise others to give it a try.

Chia Zhi Ling
Cambridge A Level, MCKL
Business and Commerce,
Monash University, Malaysia

I found MCKL's university placement department extremely helpful and welcoming as I would often receive various emails regarding different university placement talks and fairs. These events provided more opportunities for students to consult with university staff and a deeper insight into the various choices of courses and schools.

Darren Chin
Cambridge A Level, MCKL
Nanyang Technological University,
Singapore

MCKL was my college of choice for its reputation of providing top-notch pre-university education and its track record of producing excellent results. MCKL is considerably more affordable compared to other colleges in Malaysia. My university placement officer also poured his time and energy by giving me advice on how to write my application forms and training me for the university interviews.

Brandon Tay Jian Wei
Cambridge A Level, MCKL
University of Hong Kong, Hong Kong

MCKL has taught me the value of being in a community that pushes each other to perform better in the classroom and beyond, and how important it is to give back to the community. I would like to thank my lecturers who taught me well during my time at MCKL, allowing me to accomplish many things, including winning the Outstanding Cambridge Learner Awards for Top in the World – AS Level Mathematics.

Jesselyn Sin Jun Yi
Cambridge A Level, MCKL
Medical Science,
Monash University Australia

My choice to study in MCKL was truly an excellent decision as I had dedicated lecturers who encouraged me to excel, leading to me being awarded the Outstanding Cambridge Learner Awards for the October/ November 2019 examination series as Top in the World for Chemistry AS level. I will recommend MCKL without hesitation to any prospective student.

Pathway to Universities in Germany

Germany is one of the countries that offer a world-class education at a lower cost compared to other popular study destinations. Regardless of your nationality, Germany is one of the few countries that offer reduced or free tuition fee at its public universities. If students plan to study Engineering, Sciences, Mathematics or IT, Germany will be one of the best choices.

More Reasons to Study in Germany

- Minimal tuition fee in public universities.
- After graduation, students can work part time and obtain a job seeking visa for up to 18 months.
- More affordable living cost compared to other European nations.
- Universities use a more practical approach in preparing students for future work.
- World-class universities providing networking opportunities with students from all over the world.

German Educare

German Educare was founded by a group of Malaysians who had studied and lived in Germany for several years. German Educare will assist students to fulfill other requirements for admission to German universities of their choice. This includes German language classes for the DSH / TestDaf exam, assistance with university and visa applications, pre-internship placement and other arrangements to help in the transition to living and studying in Germany. The support team guides students in both Malaysia and Germany.

PROGRAMME PATHWAY

Undergraduate Degree in German Universities

German Module B1+ to C1* with German Educare
(7-9 months)

Cambridge A Level (German Pathway)

KPT/JPS(R2/010/3/0098)(A9208)07/23

MCKL provides students with a direct pathway to further their studies in Germany. While students are studying the A Level in MCKL, they will also be attending German language lessons to fulfill the language requirement to study in Germany.

The German Pathway is specially designed for students who have decided to study in German universities or wish to explore the possibilities of furthering their studies in Germany. This pathway will grant students access to early exposure in German language without the need for a tutor.

Students who have met subject and grade prerequisites will be able to directly apply for entry into German universities to pursue medicine, finance, engineering, psychology, law, actuarial science, economics, biotechnology and many other courses. Upon completion of this programme, German Educare will assist students in qualification check, university applications and placements, advance German language lessons, visa applications and more.

Recognised Cambridge A Level Provider
One of the earliest tertiary institutions in Malaysia to offer the A Level programme as an education pathway for school leavers to further their studies globally. MCKL's A Level programme is one of the most affordable and internationally recognised in Malaysia.

Excellent Track Record
Over the years, we have maintained a 100% university acceptance rate for students who meet the academic and language requirements.

Dedicated & Experienced Team
Supported by a professional team that is in well verse German education and has successfully assisted students to further their studies in Germany.

Experienced University Placement Team
A proven system has been developed to help students identify suitable universities and guide them thoroughly through the application process.

Personalised Community
Concentrated class sizes that allow lecturers and students to build trust, along with our administrative and support staff to help students along the way.

Diversified Options Available
German pathway offers science and arts options, allowing students to explore a diverse range of programmes, such as engineering, business, architecture, economics and many more.
