

Early Childhood Education Workshop

Discover the Magic of Early Childhood Education

**19 AUG
2023**

**2PM
-
3PM**

MCKL College
(Penang,
Pykett Campus)

INTRODUCTION

This workshop is about discovering the magic of early childhood education. Through engaging activities, craft, and hands-on experiences, the workshop will showcase the unique aspects of being an early childhood educator and highlight the profound impact they have on shaping children's lives. We will delve into the science of early learning, explore creativity in the classroom, and discuss the broader impact of early childhood education on society.

WHAT YOU WILL ACHIEVE

- To introduce participants to the world of early childhood education and the joys of working with young children
- To explore the science of early learning and the critical role early childhood educators play in shaping a child's development
- To unleash participants' creativity and demonstrate how innovation enhances the learning experience for young children
- To discuss the broader impact of early childhood education on a child's future success and the community as a whole

WHO SHOULD ATTEND?

SPM
Leavers

IGCSE
