

WORKSHOP PRE-U

# Unleash the Mathematician in You!

**FREE ENTRY**

1 HOUR  
INTRODUCTORY  
WORKSHOP

 **16 MAR 2024 (SAT)**  
 **9.30AM - 10.30AM**  
 **MCKL PYKETT CAMPUS**

## INTRODUCTION

Discover the pivotal role of mathematics in university courses, unveiling key shifts from high school to college math. Explore problem-solving techniques and gain insight into the Pre-U Math Syllabus. Join us on an illuminating journey through the world of mathematics.

## WHAT YOU WILL ACHIEVE

- To demonstrate the importance of mathematics in prospective university courses, emphasising its relevance across various disciplines and careers
- To introduce effective problem-solving techniques applicable to college-level mathematics, fostering critical thinking, and analytical skills
- To outline the key differences and shifts in approach and content between high school and college mathematics, preparing students for the academic transition and challenges ahead
