Chloe Chin Ger Yu

Australian Matriculation, MCKL
From Bayan Lepas

“Being a pioneer student at MCKL College (Penang, Pykett Campus) makes me glad and proud as I get to experience everything in college first-hand alongside my classmates. Because of the ease and effectiveness of being in smaller classrooms, I am able to get help from lecturers and grow more confident in my abilities. MCKL focuses on academic success and student well-being, and this distinguishes MCKL.

Kee Chee Pheng

Cambridge A Level, MCKL
From Bayan Lepas

“MCKL provides a good environment for me to study well and get good results in my A Level exam. This includes valuable study resources and experienced lecturers that can guide me to get excellent results in my A Level. I'm proud to be one of the first students to study at MCKL College (Penang, Pykett Campus). I feel motivated to do well in my exams to set up a good reputation for the campus, and hopefully able to attract more students to study here in the future.

Lee Jia Ying

Australian Matriculation, MCKL
From Bayan Lepas

“The lecturers here are friendly and helpful, regardless if the classes being held online or physically. This made my academic journey smooth as I did not feel scared to ask questions, allowing unsolved enquiries to be answered immediately. My classmates are cordial and kind which made my college life enjoyable.

WHAT OUR STUDENTS SAY

Eloise Saw En Yi

Australian Matriculation, MCKL
From Bukit Jambul

Exciting, Developmental, Life-changing. MCKL is an educational institution changing the lives of many by developing our knowledge to a further higher standard. MCKL is paving the way for change in our lives and putting us on the right path to achieve our dreams.

Koay Yi

Cambridge A Level, MCKL
From Ayer Itam

MCKL has taught me to work hard in my studies and not to do any last-minute work. Also, I have learned to ask questions when necessary. I used to be quite shy to ask questions in class, but MCKL made me realise that there is nothing to lose from being curious.

WE LIVE AND LEARN

Mahadevan Mervyn

Cambridge A Level, MCKL
Class of 2022
From Batu Ferringhi

MCKL has taught me about self-reliance because of the transitions that one will experience throughout their lives. It made me realise that there comes a point of time in your life where you cannot be over-dependent on your surroundings. MCKL reminds me a lot of my old school, and this does elicit some nostalgia for me, which makes the transition process a lot easier to accommodate with.

Deong Min Xuen & Deong Min Yu

Cambridge A Level, MCKL
Class of 2021
From Bayan Lepas

MCKL provided a very good environment to study. Our peers are very hardworking, the library is always full and this really encouraged us to study harder. The lecturers are also very helpful and wouldn't hesitate to give us advice and assist us in our university application journey.

Rene Faun Kar Yee

American Degree Transfer Program, MCKL
Class of 2022
From Bayan Lepas

If you nudge the lecturers or advisors for personal real-life advice or sharing your problems such as not having the motivation to study, they will try to make the time to listen. In other words, they did not just focus on how well I did in a test, they also educated me as a whole, to be more aware of my own well-being.

THE VOICE FROM ANAK PENANG

Ng Ting Ah
Former Headmaster (1997 – 1999)
Pykett Methodist Primary School

What was the fondest memory during your tenure?

I am most delighted to know that MCKL is taking a big stride in continuing the legacy of Pykett. I am sure the Penangites are very touched by this move as we thought that a high rise construction would take over the site of Pykett. I hope MCKL will restore and keep the strong historical and the colonial structure of Pykett in many years to come and make it shine in the field of educating, promising students who will be the future generation of our country.

Lim Hong Khun
Former Student
Pykett Methodist Primary School, Class of 1965

How has Pykett influenced you to be the person you are today?

I came from a humble, non-English-speaking family background and I can honestly say what I am today, was in many ways shaped by my days in Pykett. We had had many excellent teachers; some went beyond the call of duty to help the less fortunate. They were not just teachers but true educators. If the same spirit and mission can be carried forward, then I am positive many future students will greatly benefit and carry on her legacy. I wish MCKL College all the best in the endeavors for the Pykett Campus in Penang.

Angela Cheong
Vice President Human Resources (Asia-Pacific),
Keysight Technologies

What are your wishes for MCKL?

I am happy that MCKL has spread its wings to Penang. Do continue nurturing high-achieving and well-rounded students who grow to become upstanding and well-respected individuals in the future. This is key to ensuring graduate employability. We look forward to a successful partnership with MCKL.

Since its establishment in 1983, the College has gained a reputation of providing quality private education in the best of Methodist traditions. The educational experience is underpinned by core values, ethical standards and community involvement. Experienced lecturers teach classes and they give personal attention to their students. The College also provides student counselling (personal and academic), including making career choices and support for university applications.
