

**American Degree
Transfer Program Talk**

Scholarships and Opportunities in the U.S.

**11 AUG
2023**

**2PM
-
3PM**

MCKL
KL CAMPUS

INTRODUCTION

This talk is about U.S. education which emphasizes hands-on learning experiences that equips students with valuable skills and real-world experience, enhancing their employability. Students can leverage these networks to build valuable contacts, find mentorship, and secure job opportunities after graduation. Many U.S. universities offer merit scholarships and financial aids for international students, making education more accessible and affordable.

WHAT YOU WILL ACHIEVE

- To highlight the affordability and opportunities of U.S. higher education
- To explore the wide range of academic programs and majors, allowing students to tailor their education to align with their interests, career goals, and strengths
- Understand the importance of fundamental analysis
- To guide students on how they can leverage these networks to build valuable contacts, find mentorship, and secure job opportunities after graduation
