INTRODUCTION

This workshop is about experiencing working with the magic of flowers as it will help to enhance the child's imagination and creativity. Through engaging activities, and hands-on experiences, the workshop will showcase the unique ways to entice their students' creativity. You will learn to create your own flowerpot using vibrant colours and shapes. This workshop is for you to learn with emphasis on fun and creativity.

WHAT YOU WILL ACHIEVE

- Experience the world of early childhood education and the joys of working with young children.
- To unleash your creativity and demonstrate how innovation enhances the learning experience for young children.
- To learn engaging with children with the emphasis on fun and being creative.
