“ I applied for the Student Leader Scholarship after some encouragement by one of the staff in MCKL. Receiving this scholarship not only boosts my confidence, but it also means a lot to me, as it proves that my hard work throughout the years has finally paid off. It encourages me to continue my effort to strive and do better in the future. I think being active in co-curricular activities and being able to maintain good grades make me a well-rounded person and having the opportunity to hold positions and lead clubs in secondary school also made me a strong applicant for this scholarship. ”

Chooi Jia Yue

“ This is the first time I've received a full scholarship from a non-government institution. I feel grateful for the scholarship that the school has offered to me, as it makes me more motivated to further study while reducing my parent's financial burden. “ This scholarship allows me to continue my studies in Cambridge A Level because I am aiming to further my studies overseas, however, due to my family's financial status, I am unable to afford the expensive fees in tertiary programmes. Firstly, my parents wouldn't be so financially burdened by my tuition fees, and it also allows me to put all my energy and focus on doing well in my classes. It also makes me feel like my hard work in high school has been affirmed. This scholarship not only allowed me to continue my education but also motivates me to succeed in my goals and aspirations, as well. ”

Wong Ching Shuen
