

WORKSHOP EARLY CHILDHOOD EDUCATION

Learning Through Play

FREE ENTRY

1 HOUR
INTRODUCTORY
WORKSHOP

 **8 JUNE 2024 (SAT)**

 **10AM - 11AM**

 **MCKL PYKETT CAMPUS**

INTRODUCTION

This is a presentation with powerpoint. It is about how play is a powerful learning opportunity for children. That early education is a play-based, hands-on enriching experience. Participants will be shown how each area of play eg art, music, blocks, outdoor play, writing table, manipulatives, sensory activities and educational toys and resources etc helps children to develop cognitively, in motor skills, language, social-emotional and physically.

WHAT YOU WILL ACHIEVE

- To be able to know on the power of play in Early Childhood Education

Methodology

Lecture
